The NIV Bible In One Year is a popular daily Bible reading programme which makes it simple to read through the whole Bible in 365 days. It splits up the Bible into daily readings, with an Old Testament, New Testament and Psalm or Proverbs excerpt for each day of the year. It is ideal for personal devotions or to read as a community and will only take you fifteen minutes a day. This edition has an easy-to-read layout with extra-wide, lined margins, and thicker Bible paper for notes and journalling. At the beginning of the Bible there is a Bible timeline and an overview of Bible books and genres. A ribbon marker is included to help keep your place. The text size is 7.25pt. The sequence of Bible readings matches that of Alpha pioneer and HTB vicar, Nicky Gumbel's Bible in One Year app, in which Nicky provides daily commentary on the chosen passages, accompanied by prayers. Why not make 2019 the year you read the Bible from beginning to end - this elegant volume will help you do just that.

We are increasingly conscious of the significance of our body language in our everyday interactions. The writers of the Bible were also aware of the role this nonverbal form of communication played and have recorded aspects of this in their narratives, or used idioms based on such gestures as head or hand movements, eye contact, and modes of dress. As with spoken or written language, postures and gestures need to be interpreted against a cultural background. This book provides a comprehensive overview of this rich world of nonverbal communication in the Old and New Testaments for the general reader and scholar alike.
