

MATTHEW VOLUME 2 THE CHURCHBOOK MATHEW 13 28 (DOWNLOAD ONLY)

Randy Delgado

Matthew Volume 2 The Churchbook Mathew 13 28 Introduction

Matthew

Drawing on great church teachers through the centuries and on the classical Christian creeds and confessions, this book asks both what Matthew's Gospel said to its first hearers and what it says to readers today. It shows how the focus of Matthew shifts, from Jesus teaching about who he is to teaching mainly about what his church is.

Matthew: The Churchbook, Matthew 13-28

Recognized as a masterly commentary when it first appeared, Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two-volume work -- the result of seven years of careful refinement, enrichment, and updating. Through this commentary, crafted especially for teachers, pastors, and Bible students, Bruner aims to help God's people love what Matthew's Gospel says. Bruner's work is at once broadly historical and deeply theological. It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions. It is theological in that it unpacks the doctrines in each passage, chapter, and section of the Gospel. Consciously attempting to bridge past and present, Bruner asks both what Matthew's Gospel "said" to its first hearers and what it "says" to readers today. As a result, his commentary is profoundly relevant to contemporary congregations and to those who guide them. Bruner's commentary is replete with lively, verse-by-verse discussion of Matthew's text. While each chapter expounds a specific topic or doctrine, the book's format consists of a vivid, original translation of the text followed by faithful exegesis and critical analysis, a survey of historical commentary on the text, and current applications of the text or theme under study. In this revision Bruner continues to draw on the best in modern scholarship -- including recent work by W. D. Davies and Dale C. Allison Jr., by Ulrich Luz, and by many others -- adding new voices to the reading of Matthew. At the same time he cites the classic commentaries of Chrysostom, Jerome, Augustine, Luther, Calvin, Bengel, and the rest, who, like Bruner himself, were not simply doctrinal teachers but also careful exegetes of Scripture. Such breadth and depth of learning assure that Bruner's "Matthew" will remain, as a reviewer for "Interpretation" wrote, the most dog-eared commentary on the shelf. Volume 2 of Bruner's commentary is called "The Churchbook" because Bruner sees Matthew 13-28 as concerned primarily with the life of the church and discipleship. Continuing his Volume 1 "Christbook" exposition, Bruner shows here how the focus of Matthew shifts, from Jesus teaching about "who he is" to teaching mainly about "what his church is." Bruner's "Churchbook" commentary divides the second half of Matthew according to its major ecclesiological themes: the church's faith (chapters 13-17), the church's love (18-20), the church's history (21-23), the church's hope (24-25), and the church's passion (26-28). Eminently readable, rich in biblical insight, and ecumenical in tone, Bruner's two-volume commentary on Matthew now stands among the best in the field.

Matthew, a Commentary: The Churchbook, Matthew 13-28

Matthew's Gospel also tells a story of Jesus, the son of David the son of Abraham directing the reader to the Saviour of the world. "Chamblin clearly wants me to understand Matthew and to stand amazed in the

presence of Jesus the Nazarene.

Matthew Volume 2 (Chapters 14-28)

What was the original purpose of the Gospel of Matthew? For whom was it written? In this magisterial two-volume commentary, Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE. Wilson's compelling thesis frames Matthew's Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered, dissident minority. Thus, the text clarifies Jesus's essential Jewish character as the "Son of David" while also portraying him in opposition to prominent religious leaders of his day—most notably the Pharisees—and open to cordial association with non-Jews. Through meticulous engagement with the Greek text of the Gospel, as well as relevant primary sources and secondary literature, Wilson offers a wealth of insight into the first book of the New Testament. After an introduction exploring the background of the text, its genre and literary features, and its theological orientation, Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first-century readers about topics like morality, liturgy, mission, group discipline, and eschatology. Scholars, students, pastors, and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson's deep contextualization of the text, informed by his years of studying the New Testament and Christian origins.

The Gospel of Matthew, vol. 2

The gospel of Matthew is not just the story of Christ's ministry on earth, \", €,\"it's also a wellspring of instruction on day-to-day Christian living. Showing how the new covenant fulfills old covenant promises and how the law of Moses applies today, Matthew writes to make disciples, forming the minds, hearts, and hands of believers. Designed for groups and individuals, this Reformed Expository Bible Study gives users the resources they need to delve into God's Word and understand and apply it for themselves, leading to biblical transformation. Background information and commentary lay the groundwork before readers observe and analyze the Scripture text. Each of the twenty-six lessons makes connections to the rest of the Bible and to Reformed theology before concluding with a section for personal application and a prayer prompt.

Matthew: Making Disciples for the Nations, Volume 2 (Chapters 14-28), a 13-Lesson Study

The Gospel of Matthew stands out as a favorite biblical text among patristic commentators, including Origen, Hilary of Poitiers, Jerome, Theodore of Heraclea, Cyril of Alexandria, John Chrysostom, Augustine, and more. In this ACCS volume, the rich abundance of patristic comment provides a feast of ancient interpretation of the First Gospel.

Matthew 14-28

This volume which completes the internationally acclaimed three-volume commentary on St Matthew's Gospel includes a verse-by-verse and section-by-section commentary in which all linguistic, historical, and theological issues are discussed in detail. A complete index to all three volumes is included.

Matthew

Ever question what may have been meant by the statement, \", \"You are Peter and on this rock . . .\"? Are you puzzled by the cursing of the fig tree by Jesus or by his comments about moving mountains? William Barclay discusses these and many other interesting matters in this second volume of The Gospel of Matthew.

With a lively translation and engaging commentary, Barclay's comments on the latter portion of Matthew's Gospel are great for daily readings. For almost fifty years and for millions of readers, the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study. Now, with the release of the New Daily Study Bible, a new generation will appreciate the wisdom of William Barclay. With clarification of less familiar illustrations and inclusion of more contemporary language, the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives.

The Gospel of Matthew, Volume Two

This scholarly book is the final result of a team-research project, done by ten Practical Theologians from three denominations in the Reformed tradition in South Africa. The authors posed the following research problem and-question: What would be the relationship (if any) between preaching (and the liturgy of which it is a part) and the development of missional congregations? And secondly, what kind of preaching and preacher would best serve (even facilitate) such a process of missional congregational development in preaching and worship?

Mission moves

The Gospel of Matthew, volume two, is the second in a seven volume set. Three hundred and twenty five sermons were preached, in a seven and a half year period, in public worship, through every word and every verse of the Gospel.

The Gospel According to Matthew

Enlarged print edition now available! Tom Wright's eye-opening comments on the Gospel of Matthew and what it might mean for us are combined, passage-by-passage, with his fresh translation of the Bible text. Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Wright captures the urgency and excitement of Matthew's Gospel in a way few writers have. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

Matthew for Everyone, Part 2

How should this massive work of scholarship be assessed? The three volumes stand as one of the major commentaries on the Gospel of Matthew in which all future interpreters of the Gospel will find a source of fruitful dialogue and helpful ideas. It is a \"must have,\" both in libraries and in footnotes. Davies and Allison are to be thoroughly commended on the fruits of their considerable toil.' Robert K. McIver, Seminary Studies

Matthew

Matthew's Gospel shows that Jesus was Israel's King and long-awaited Messiah. In *Insights on Matthew 16–28*, Chuck Swindoll unpacks the journey of Jesus from His transfiguration to His glorious resurrection. Chuck's deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. The 16-volume Swindoll's *Living Insights New Testament Commentary* series draws on 13-time Christian Book Award winner Chuck Swindoll's more than 50 years of studying and preaching God's Word. Each volume includes both the NLT and NASB translations of the Bible, verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. A

must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

Insights on Matthew 16--28

What does the first book of the New Testament teach? As the first gospel, the book of Matthew is a bridge between the Old Testament and the New. It presents Jesus as the Messiah predicted in the Old Testament, but also as the Savior whose death was necessary for the salvation of mankind. Yet Matthew also describes the future Kingdom of Jesus when He will reign on earth at His Second Coming. In this fourth volume of the renewed Walvoord Commentary Series, renowned biblical scholar and prophecy expert John Walvoord, along with Dr. Charles Dyer, walks readers through the gospel of Matthew chapter by chapter and unfolds his message of Jesus' Messianic identity, teachings, miracles, and future return as victorious King. Revised and updated throughout and based on the text of the English Standard Version (ESV), this new edition of Walvoord's commentary will serve a whole new generation of pastors, leaders, and laypeople.

Matthew

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Gospel According to Matthew

For over one hundred years, the International Critical Commentary series has held a special place among works on the Bible. It has sought to bring together all the relevant aids to exegesis — linguistic and textual no less than archaeological, historical, literary and theological—with a level of comprehension and quality of scholarship unmatched by any other series. No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought. The first paperback editions to be published cover the heart of the New Testament, providing a wealth of information and research in accessible and attractive format.

Matthew Volume Two

Scholarly and historical challenges to the canon of Scripture have been ongoing since before the Council of Nicea in 325, and they continue to this day. A growing number of Matthean scholars contest the historicity of Matthew 23 and its validity for inclusion in the Gospel narrative. They view Jesus's condemnation of the Pharisees and the polemical language as a reflection of growing opposition to Judaism within the Matthean community of post-70 CE and therefore regard the chapter as having little historical value. In this detailed historical, cultural and social analysis, Dr Layang Seng Ja defends the contended understanding of this passage and analyses the view that the actions of the Pharisees, and the condemnation they receive in Matthew 23, are consistent with the context of Jesus's time on earth. Dr Layang also tackles the dating controversy of the Pharisees in this chapter and the chapter's subsequent authenticity. This book provides an interesting and in-depth study that credits Matthew 23 as historically reliable and authoritative as part of the Word of God, giving a convincing counter-argument to recent critical thought.

Matthew 8-18

Stanford Rives seeks to provide the best approximation of the original Gospel of Matthew based upon

Hebrew sources. There is no disputing Matthew wrote his gospel in Hebrew. In about 400 AD, Jerome translated it from a copy at the Library of Caesarea. It was quoted dozens of times by the earliest church commentators. Jerome explained that our Greek version of Matthew came from this Hebrew version. Jerome noted a score of variants that were interesting. The Shem-Tob version of Matthew is the best candidate to reflect the original Hebrew Matthew. Stanford Rives, a Christian attorney, tries to meticulously assemble what likely was the original Matthew from all these sources. It is hoped that this will be edifying to the faithful. This first of three volumes collects all viable earliest variants for Matthew overlaid on the framework of the American Standard Version of Matthew from 1901. These variants are color coded for easy identification. The variants are footnoted so the reader can read its source and weigh its strength and viability. The second volume will collect important scholarly material on the validity of the early variants and the significance of the changes to the traditional text. Topics covered in volume two include whether the virgin birth was originally present, whether Yahweh's name was originally used, and on the aid to apologetics which the original Matthew variants provides. The third volume is intended for devotional reading. It attempts to represent the best estimate of what the entire original Gospel of Matthew contained. There is no commentary. It is simply a smooth flowing text with the best variants reflected in the text using color coding to signify the source of each variant. The same color codes are used in volume three as used in volume one. They will tell the reader the general source of the variant, but to know the precise citation for the variant, one must refer back to Volume I. The first and third volumes are separated to keep customer purchase costs down. This allows the readers to choose whether to purchase just volume one or also volume three to know the contents of the Original Gospel of Matthew.

The Pharisees in Matthew 23 Reconsidered

The Old Testament looked forward to the final King of kings who would bring everlasting salvation and peace. In his Gospel, Matthew demonstrates that Jesus Christ is that King, perfect in His eternal glory and majesty. As the King's ambassadors, Christians today will find in Matthew great motivation for heartfelt worship and service. Join John MacArthur as he explains each verse of Matthew 24–28 in a way that is both doctrinally precise and intensely practical. Taking into account the cultural, theological, and Old Testament contexts of each passage, MacArthur tackles interpretive challenges and fairly evaluates differing views, giving the reader confidence in his conclusions. The MacArthur New Testament Commentary series comes from the experience, wisdom, and insight of one of the most trusted ministry leaders and Bible scholars of our day. Each volume was written to be as comprehensive and accurate as possible, dealing thoroughly with every key phrase and word in the Scripture without being unnecessarily technical. This commentary will help to give a better, fuller, richer understanding of God's Word, while challenging the reader to a vibrant personal spiritual walk. A great resource for pastors, teachers, leaders, students, or anyone desiring to dig deeper into Scripture

Original Gospel of Matthew Vol. 2

Understanding Matthew's Gospel - Volume 2 Your life can be transformed, and Matthew's Gospel holds the key. Matthew was a hated outcast in the town where he lived. He was a collaborator with the occupying Roman army. This man spent his days extorting money off people and associated with violent controlling low life. He had money and a good house, but his life was empty. One day he encountered Jesus, who invited him to follow. Matthew left everything, but his life was completely turned around. Matthew's Gospel is his account of the life and teaching of Jesus that so improved his life. I have also found this to realign my life and thinking completely. It can also change you, even though you may not be as messed up as Matthew was. Understanding Matthew's Gospel takes you through Matthew's story section by section. This two-volume work explains the key features that make Jesus Christ the foundation for a fulfilled and positively focused life.

History of the Twenty Councils of the Church

A Revised and Expanded Edition of What Are They Saying About Matthew? The sheer volume of scholarship on Matthew has grown even larger recently because of renewed interest in the Jewish background of Jesus and the New Testament. Donald Senior, distinguished biblical scholar, writer, and teacher, surveys a list of nearly one hundred new articles and books published in North America and internationally within the last decade. In a clear and readable fashion, Senior investigates and then explains the major issues that dominate the study of Matthew today: the background of the evangelist and his community, the structure and the purpose of the gospel, the relationship of the gospel to Judaism, and the gospel's portrayal of Jesus, discipleship, and church. What Are They Saying About Matthew? is a welcome resource for those who wish to benefit from this most comprehensive and reliable exploration of modern biblical scholarship. +

The Gospel of Matthew

This is another volume in the series of Bible Commentaries of Matthew Henry. In this Volume, the entire text of the Gospel of Matthew is commented with notes of each chapter. This Commentary will help you better understand the God's word! Churches, theological seminaries and Bible schools will find an excellent aid in this biblical commentary on the Gospel of Matthew.

Matthew 24-28 MacArthur New Testament Commentary

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Understanding Matthew's Gospel - Volume 2

This commentary on the book of Matthew was researched and written using Ancient Bible Study Methods. These methods were initially developed by the Sage Hillel over 2000 years ago and augmented by Dr. Anne Davis and the author. Ancient Bible study methods are based on asking questions about the Scripture. For church people, this is a strange idea because the church teaches that only the church can interpret Scripture. This is not true. God wants us to ask questions because the meaning of Scripture is as deep as God, and God is infinite. THIS COMMENTARY IS VOLUME 4 OF A 4 VOLUME SET.

What are They Saying about Matthew?

A clear and practical commentary on the second half of Matthew. Boice's expositions are ideal models for preachers and excellent resources for teachers.

The Gospel of Matthew - Complete Bible Commentary Verse by Verse

The models of church government discussed are the Plural Elder-led Congregational model, the Single Elder-led Congregational model, the Democratic Congregational model, the Episcopal model, and the Presbyterian model.

Matthew 14-28, Volume 33B

This is the second of a three-volume commentary on the gospel of Matthew from Europe's leading Matthew scholar. Volume 1 Matthew 1-7 was previously published in the \"Continental Commentaries\" series. Luz's commentary is especially noteworthy, not only for his incisive exegesis, but also his keen eye for the importance of the history of interpretation and his attention to the relevance of the New Testament for contemporary Christian ethics. This commentary includes excursuses on Son of David; Matthew's Interpretation of the Parables; Peter in the Gospel of Matthew; and Son of Man.

Understanding Matthew's Gospel Volume Four Chapters 22 Thru 28

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

The Gospel of Matthew

Volume 3 of The Gospel According to Matthew contains a fresh translation of the text, plus forty one exegetical sermons from Matthew chapters twelve through fifteen.

Perspectives on Church Government

Bible Understanding Made Easy is a series of books used to inspire and teach the Word of God to sincere souls trying to draw closer to God. This volume is dedicated to building understanding of the life of Jesus Christ as taught by the book of Matthew. The world has been intrigued by the life and teachings of Jesus Christ for nearly 2,000 years to this date. This is for good reason. He is a wonderful Lord and Savior. He is also the Master teacher. All mankind must know Him in order to be saved. Knowledge of His will for our lives brings peace and joy to ones soul. This work is dedicated to showing the world the peace and joy of Jesus Christ by a more in-depth study of who He is and what He offers to mankind. The method of teaching used in this book was purposely kept as simple as possible so that beginning students of the Bible can be inspired and build a rich foundation of understanding the Bible that will last a lifetime! This volume is more in-depth than the first installment of this series entitled Bible Understanding Made Easy, Volume 1: The Old Testament. This is because more time is devoted to studying verse-by-verse and small groups of verses. Lastly, as an added bonus, there are many life application style mini-lessons that Christians of today can use to help build faith, encourage, and inspire sincere folks to maintain a personal relationship with Jesus Christ. For ordering within the United States of America and outside of the United States of America please call (toll-free in the U.S.) 1-888-795-4274 or Email XLibris at orders@xlibris.com. The easiest way would be to add the book to your shopping cart above and order online as another alternative. Normally, you may pay using your nations own currency (i.e. the U.S. dollar, the British pound, Euro, etc.). Please call or Email XLibris Corporation for currency exchange rates.. Matthew 21-28

Essays presented are adapted papers read at the 7th Nordic New Testament Conference in Stavanger, Norway, June 14-18, 2003.

Holy Bible (NIV)

This study takes a Christian perspective on the entire Bible, rather than simply the New Testament. David Wenkel asks: Why did Jesus have to be beaten before his death on the cross? Christian theology has largely focused on Jesus' death but has given relatively little attention to his sufferings. Wenkel's answer contextualizes Jesus' crucifixion sufferings as informed by the language of Proverbs. He explains that Jesus' sufferings demonstrate the wisdom of God's plan to provide a substitute for foolish sinners. Jesus was beaten as a fool – even though he was no fool, in order to fulfill God's loving plan of salvation. This analysis is then placed within the larger storyline of the whole bible – from the Garden of Eden to the story of Israel and beyond.

The Gospel According to Matthew Volume 3

Is it even possible to say anything new about Jesus of Nazareth? Disciples and detractors alike have been weighing in for two thousand years. Scholarship in the last fifty years has been greatly enhanced by the recognition of the Jewishness of both the historical Jesus and the life and teachings of the apostle Paul. But the Gospels themselves, the texts that preserve the words and deeds of Jesus, have not been subject to the same level of consideration in this regard. Until now. This book surveys the historical, theological, and practical issues that arise when the Gospels are read as Jewish literature. So yes, there is something new here about Jesus. The Jewish context of Jesus and his movement is better understood today thanks to archaeology, the ongoing publication of ancient texts, and changes in the way scholars think about Jewish society in late antiquity. A Handbook on the Jewish Roots of the Gospels, whose contributors are well-known in the field, updates all of the relevant topics relating to Jesus and the Gospels in light of these exciting new developments. A companion to A Handbook on the Jewish Roots of the Christian Faith (ISBN 9781683071648), the book is split into five sections: Textual Roots Intertextual Roots Narrative Roots Theological Roots Intercultural Roots Written by an international group of Jewish and Gentile followers of Jesus as Messiah, A Handbook on the Jewish Roots of the Gospels is for all who want to learn more about these four biblical accounts and how they portray the man from Nazareth within his own historic and cultural setting. Contributors include Daniel M. Gurtner, Darrell Bock, Craig A. Evans, Sheila Gyllenberg, Craig L. Blomberg, Eckhard J. Schnabel, Catherine Sider Hamilton, David Mishkin, Mark L. Strauss, Michael L. Brown, and more.

Bible Understanding Made Easy (Vol 2)

Complete Sermon Outlines for One Full Year! Sermon Outlines for Busy Pastors: Volume 4 gives the busy pastor a head start on sermon preparation. With 52 complete sermon outlines, pastors can save hundreds of hours a year, with the base research and layout for a year's worth of sermons already in place. Here's some advantages Sermon Outlines for Busy Pastors: Volume 4 provides: These are complete sermon outlines. Each sermon outline is much more than a basic three point outline requiring a lot of time and research to flesh out. These outlines go much deeper, with each main point completely developed with sub-points and more. Each sermon outline is rooted in God's Word and is expository, with a wealth of detail, great for spurring your own thoughts and allowing you to take the sermon in another direction as you feel led. Every sermon outline is solidly based in the Bible and conservative theology. Sermon illustrations include enough detail to suggest your own personal or applicable illustrations. 4 complete sermon series, providing a map for the next several Sundays, saving many hours of advance planning and preparation. Volume 4 Sermons and the

The Formation of the Early Church

Recognized as a masterly commentary when it first appeared, Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two-volume work -- the result of seven years of careful refinement, enrichment, and updating. Through this commentary, crafted especially for teachers, pastors, and Bible students, Bruner aims "to help God's people love what Matthew's Gospel says." Bruner's work is at once broadly historical and deeply theological. It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions. It is theological in that it unpacks the doctrines in each passage, chapter, and section of the Gospel. Consciously attempting to bridge past and present, Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today. As a result, his commentary is profoundly relevant to contemporary congregations and to those who guide them. Bruner's commentary is replete with lively, verse-by-verse discussion of Matthew's text. While each chapter expounds a specific topic or doctrine, the book's format consists of a vivid, original translation of the text followed by faithful exegesis and critical analysis, a survey of historical commentary on the text, and current applications of the text or theme under study. In this revision Bruner continues to draw on the best in modern scholarship -- including recent work by W. D. Davies and Dale C. Allison Jr., by Ulrich Luz, and by many others -- adding new voices to the reading of Matthew. At the same time he cites the classic commentaries of Chrysostom, Jerome, Augustine, Luther, Calvin, Bengel, and the rest, who, like Bruner himself, were not simply doctrinal teachers but also careful exegetes of Scripture. Such breadth and depth of learning assure that Bruner's Matthew will remain, as a reviewer for Interpretation wrote, "the most dog-eared commentary on the shelf." Volume 1 of Bruner's commentary is called The Christbook because the first twelve chapters of Matthew are focused on the nature and work of Christ. As Bruner proceeds through these chapters, he shows how Matthew presents, step by step, central themes of Christology: Jesus' coming (chapters 1-4), his teaching (5-7), his miracles (8-9), his sermon on mission (10), and his person (11-12). Throughout the book

there are also thoughtful discussions of significant topics such as baptism, marriage, Jewish-Christian relations, and heaven and hell. Eminently readable, rich in biblical insight, and ecumenical in tone, Bruner's two-volume commentary on Matthew now stands among the best in the field.

Jesus' Crucifixion Beatings and the Book of Proverbs

This commentary proceeds unit by unit (not verse by verse) to emphasize what each passage of Matthew means to the author of the Gospel and to the modern church. Douglas Hare shows that the purpose of Matthew's writing is to convince Christians that a genuine faith in Christ must be demonstrated in daily obedience and that faith and ethics are two sides of the same coin. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.
